

Relay Riders UK

Charity Bikers

Supporting

10 Years of Relay Riders UK!

How you can help us...

The obvious way is to register to carry the bear (or bears) on your motorbike, or you can sponsor our relay riders who take part in the event. You can do this by going to our website and hitting the '**Donate**' button which will take you to our fundraising page. Your donation goes directly to the charity, we DO NOT take ANY admin fees, we are a non-profit organisation.

www.RelayRiders.co.uk

If you run or represent a business, you could also help us by offering something that we could use as a raffle or competition prize. This would help us to promote our event as well as your business or service while raising the morale of everyone involved. You could also promote our event by telling your customers about us and spreading the word.
